Is your Business ready to grow?

Do you have employees you would like to develop?

You don't have to spend a fortune to grow your talent!

The Rotary Youth Leadership Award is a unique development programme.

It is designed to improve the leadership and communication skills of young people aged 18 - 26 years old so they can achieve their potential in work and the world in which they live.

Rotary District 1080 offers a chance for organisations to invest in their talented young people at an affordable cost.

- Enabling Development
- Encouraging Potential
- Empowering Individuals
- Sponsoring Leadership
- Supporting Growth

The RYLA course is designed to improve participants self confidence, gain an understanding of themselves and learn to successfully work in a team.

What previous organisations have said about the benefits

- Effective team working
- Ability to contribute in a Group
- Improved performance
- Better communication
- Clearer thinking
